IT'S YOUR TURN TO EXPLORE: THE HOBOKEN TERN PARADE SCAVENGER HUNT

APRIL 10-JUNE 1 2025

WELCOME SCAVENGER HUNTERS!

It's time to spread your wings and take a TERN through Hoboken on an exciting adventure filled with birds, businesses, and big surprises!

USE THE FOLLOWING SPACE TO
RECORD NOTES ABOUT YOUR
ADVENTURE:

RULES & REGS:

You're about to embark on a journey that will teach you a lot about Hoboken, it's history, ecology, and, of course, it's honorary bird. Each site participating in the parade & scavenger hunt includes at least two answers:

- One found on decoys pertaining to Feathered Facts about Hoboken's Common Tern
- Another is located somewhere on their premises, known as Business Brainteasers asking you to use your Eagle Eyes to find things hiding in plain sight.
- We've included some fun items to help you watch Hoboken like a Hawk, known as Our City Stumpers, as you make your way from place to place.

There are a few organizations not in the scavenger hunt, and you'll need to keep an eye out for their Tern decoys too because they can help you accumulate points.

Please be kind and respectful at all stops to help us show our grATERntude for making the Parade possible!

Your goal is to amass as many points as you can. There are a lot of tasks, so don't be overwhelmed or feel expected to get everything done in a day. We have indicated how many points each question/task is worth. How you play is up to you. Depending upon the day or time you hunt, various organizations may be open or closed, so there is an element of chance that makes this journey even more exciting. You and your flock can compete with each other by flying through Hoboken in one day, or you can take your time and see and learn over several weeks.

So what are you waiting for?
It's Your Tern to Hunt!
Happy exploring, & may the best vulture soar to victory! (Vultures are the scavengers of the bird world)
